FBI Report

PAPAPHRASE

Confidential Informant T-4, of known reliability, advised that DIMITROV has of recent months been outspoken in his opposition to Hasan DOSTI and the newly reconstituted National Committee for a Free Albania. He stated that in the past DIMITROV and DOSTI had been very close friends and cooperated with each other as leaders of their respective Agrarian Parties, particularly in the work of the International Peasants Union. The reason for DIMITROV's opposition to DOSTI and the NCPA was that DIMITROV resented DOSTI's interference in the NCPA in admitting the BK and the BKI to membership. DIMITROV has been recognizing Vasil ANDONI as leader of the Albanian Agrarian Party in opposition to DOSTI's leadership.
